Aryan Shinde

M.Sc. IT (Cloud Computing) | Cloud & Cybersecurity Fresher

ahkshinde@gmail.com linkedin.com/in/ahshinde/ Github/Portfolio Badlapur(E), MH - 421503

Summary

M.Sc. IT (Cloud Computing) graduate with hands-on experience in AWS (EC2-level networking, ELB, Auto Scaling, CloudWatch), Linux administration, and security fundamentals. Maintain a self-hosted Docker-based homelab with automated backups and a Kali Linux lab for practice.

Technical Skills

Operating Systems: Linux (Ubuntu, Kali, Centos), Window

Security/Tools: Nmap, Wireshark, Netcat, Telnet/SSH basics, Burp Suite, Gobuster, Metasploit , Hydra, John the Ripper, Hashcat, Splunk

Networking: CCNA-level (routing & switching, VLANs, OSPF, ACLs, NAT, subnetting)

Cloud: AWS (EC2, S3, RDS, Lambda, IAM – basic to intermediate)

Programming/Scripting: Python, Java, Bash, SQL (basic)

DevOps/Version Control: Git, Docker (basics)

Learning: Currently learning about SOC Level 1 in TryHackMe

Projects

Homelab / Self-Hosted Media Server — Personal Project
Linux Mint · Docker · systemd · rclone · cron · fstab

- Built and maintain a self-hosted homelab on Linux Mint running Jellyfin (media streaming) and Navidrome (music streaming) as Docker containers.
- Configured automated backups to Google Drive using rclone with custom OAuth setup, resolving API rate limits and token expiry.
- Set up and managed external HDD storage on Linux, configuring mount settings and file permissions for reliable access.
- Documented on GitHub.

Education

M.Sc. Information Technology (Cloud Computing) — **Graduated: 2026**
B.K. Birla College of Arts, Science and Commerce, Kalyan — *CGPA: 8.5 / 10*

B.Sc. Information Technology — **Graduated: 2024**
Ramanand Arya D.A.V College, Mumbai — *CGPA: 7.3 / 10*

Higher Secondary Certificate (HSC) , Commerce — **Graduated: 2021**
Ramniranjan Jhunjhunwala College, Mumbai — *Grade: 72 / 100*

Secondary School Certificate (SSC) — **Graduated: 2019**
Our Lady of Good Counsel High School, Mumbai — *Grade: 75 / 100*
